Enclosed are copies of a proposed CTR Special Project involving Dr. R. J. Hickey (Enclosure 1).

The Hickey project has been recommended by CTR Staff (see Enclosure 2, a letter from Dr. Hockett) and Alexander Holtzman (see Enclosure 3). You funded the first year of the Hickey project (Enclosure 4) at the \$30,000 level and this is a request for continued support. In view of the recommendations and the nature of Hickey's work, we suggest that one more year of support be authorized at the \$30,000 level. We would appreciate your responses as soon as reasonably convenient.

Sincerely,

*Bill Shinn*
